

Introducing HOLY BUCKETS!

And the Power of ONE

What are Holy Buckets all about?

It is a way for kids to offer their prayers, serve their neighbors and share their gifts as expressions of values learned through monthly Mission Intentions, for the global family of faith.

How do Holy Buckets work?

Every other month students will be given concrete suggestions to make a sacrifice of time, talent or treasure related to the worldwide Catholic Mission Intention theme. They make a commitment on Mission Memos and drop it in the bucket.

How do kids participate?

By committing to **One Hour, One Act, One buck!**

ONE HOUR - Offer one hour of prayer per day, week, or month focusing on the mission intention. It can include prayer in class or at home; individual or group; devotional prayers or offering Mass.

ONE ACTION - Give up a favorite food or drink, do an extra chore, perform an act of kindness, serve someone in need, learn more about people from different parts of the world and their joys and struggles.

ONE BUCK - Donate one dollar to help your neighbor in another part of the world. Specific initiatives that help children will be designated every other month from places highlighted in the mission intention theme.

Kids put their commitment of ONE in the HOLY BUCKET.

Join in the world - wide movement of children in God's mission.
