

Enhance Global Solidarity Sunday in Your Parish June 5-6, 2010

Use Global Solidarity Sunday to highlight on-going, year-round activities regarding global solidarity. Some examples include:

- **Recognize the international heritage of your parish community** by inviting parishioners to share their ancestral country of origin with one another at the outset of Mass
- **Offer prayers** for other members of the Body of Christ around the world
- **Invite youth** of the parish to highlight their upcoming youth mission trip
- **Highlight this past year's participation in Operation Rice Bowl or the H2O Project**
- **Explore and share firsthand experiences and friendships with your Sister Parish** by inviting a parishioner from the Sister Parish Committee to visit and present
- **Explain how the Fair Trade Coffee** served at after-Mass hospitality helps to provide consistent living wages for our brothers and sisters of the Universal Body of Christ
- **Sell Fair Trade t-shirts, coffee and chocolate** after Mass
- **Invite a former missionary** to describe how our Eucharist indicates that we are all in Global Communion

If you would like to share additional suggestions on ways to highlight Global Solidarity Sunday this June 5-6, or for more information, contact:
